"IT'S FIRE PREVENTION WEEK!"

This year I'm teaching everyone about the importance of planning and practicing your home fire escape plan. But I can't do it alone, I need your help. Work with your family and complete the fire escape checklist."

✓ Fire Escape Checklist

- ☐ Do you have working smoke alarms in your home?
- ☐ Is there a smoke alarm in every sleeping room and outside each sleeping area?
- ☐ Is there a smoke alarm on each level of the home, including the basement?
- ☐ Do you test your smoke alarms at least once a month? (Have a grown-up push the test button to check if the batteries work.)
- ☐ Do you know the sound of your smoke alarms?
- ☐ How old are your smoke alarms? (If they're more than 10 years old, you need new ones.)
- ☐ Does your family have a home fire escape plan?
- ☐ Do you know two ways out of each room in your home?
- ☐ Do you know what to do when you hear your smoke alarm? (Get out and stay out.)
- ☐ Are all the exits in your home clear of trash and toys?
- ☐ Has your family picked a meeting place outside the home where everyone can go when they've escaped a fire?
- ☐ Does everyone at home know how to call the fire department once they are outside?
- ☐ Do you and all family members practice your escape plan at least twice a year?
